

L'extase  
des saveurs

**GAGET**

FRENCH MANUFACTURER OF FRUITS PREPARATIONS AND AROMATIC PRODUCTS

L'extase  
des saveurs

# Creation and production of fruits preparations and tailored aromatic products: **Ecstasy of flavors**

GAGET Company, strong of knowledge for more than forty years in conception of flavors, offers you fruits preparations and aromatic products entirely manufactured in France.

In order to fulfill the needs of each customer, each product is specifically produced in R&D laboratory. Coffees extracts, fruits preparations, caramels... Flavors become one and add value to your dairy, ice-creams, frozen desserts or milky products, pastry, etc....

## Customer satisfaction and continuous improvement are the priority of our success

- **Ensure food security** by a strict follow up of raw materials and stages of transformation throughout production with correct and efficient traceability.
- **Continuously improve our reactivity** to satisfy application and customer requests.
- **Optimize our process and our working methods** to adapt to the current context and remain competitive on the market.

Certified since 2000,  
Currently by Norm ISO 9001 version 2008.  
Based on customer satisfaction, meet the criteria above traceability.

The background is a collage. The left side features a close-up of fresh raspberries, showing their characteristic bumpy texture and vibrant red color. The right side shows a close-up of a thick, red raspberry jam or sauce, with visible bubbles and a glossy sheen. A white rectangular box is centered over the image, containing the title and subtitle.

# Fruits preparations

---

The amplitude  
of textures and flavors
